Tuesday 12th January 2021

Dear Children,

I hope you have had a good first week under Lockdown with school being closed after Monday last week. It was such a shame that we were only back one day and then we were told by Boris Johnson last Monday night that all the schools had to close.

I am sorry that we are in the Lockdown situation once more and I hope we can get back to normal as soon as possible.

Whilst some of your friends will keep on coming into school at this time, most children will be working from home - just like many of the grown-ups will be doing too.

I know your teachers have been busy organising lessons on Google Classroom for you and talking to you online. This is a much different way of doing schoolwork. It is still a great way for you to learn though. At least you have still been able to see your friends and carry on with your learning with your teacher. The teachers have been checking the work you have been doing at home too and I hope you have been doing your best with it!

If you need any paper, books, pens or pencils, please ask your parents to email the school so we can make sure that you have everything you need.

We are going to be chatting to you and your parents during Lockdown, so we can keep in touch, but please remember your family can email the school with any news and concerns you have.

I will continue to write the newsletter but every two weeks this term, which will be emailed to your parents as usual, and will be available on the school website. I am going to start a Children's Section, so please send me some interesting facts, a quiz to put in or maybe an occasional joke!

Also remember to do some exercise during Lockdown. You could do a Joe Wicks

session every day before your online time with your teachers or get a skipping rope out and do some skipping every day. Maybe you could go out walking with your parents too.

You worked really hard last term and we want you to carry on improving, so please try your best every day to do your schoolwork.

Sending my best wishes to you all.

Kindest regards,

M. J. Knight
